THEIR STORY

BRIDE Maddy Sanders, 28, a nurse **GROOM** Matt Maly, 27, a software engineer
HOW THEY MET At a dorm party during their freshman year of college **WEDDING STYLE** Bold yellow, gray and green details complemented the playful feel of Maddy and Matt's airy, museum venue. —CM

Custom invitations featured an illustration of the couple's dachshunds along with a map outlining their favorite Bay Area sites. "The mismatched colors and styles went along with the casual feel we wanted," Maddy says of giving guests a peek into the uniqueness of San Francisco.

The newlyweds celebrated with an intimate reception in the Observatory Gallery, where guests sat at wood tables topped with glass votives, vintage books, antique silver cups and bell jars filled with greens. The menu nodded to San Francisco's varied cuisines, including a Post Street Sushi Station with nigiri and maki.
